THE VISION

We are not just opening a clothes and hygiene closet; we are launching a Community Boutique. Opening January 2, 2027 at 12903 Gordon Road (previous teen center), the Helping Hands Closet will be a curated, 1,100 sq. ft. space where neighbors in crisis are treated as honored guests. Our mission is to move families from the feeling of "charity" to the experience of "community."

WHO IS A DIGNITY ADVOCATE?

A Dignity Advocate is more than a volunteer — they are a **Personal Shopper**, a stylist even, and a **Steward of Hope**. Advocates don't just "hand out" clothes; they curate a high-end experience that restores the spirit of every guest who walks through our doors.

YOUR IMPACT IN THE BOUTIQUE

01 **The Concierge Welcome:** Be the first face a guest sees, offering hospitality that dismantles the stigma of seeking help.

02 **The Personal Shop/Style:** Walk alongside guests as they use their "Shopping Allowance" to select "A-Grade" retail-quality clothing that fits their style and size.

03 **The Hygiene Choice Suite:** Guide guests through our hygiene pantry, empowering them to choose the specific products their household needs — guests are never handed a premade kit.

04 **The Boutique Reset:** Use your eye for detail to steam garments, organize wall-mounted racks, and ensure the space feels like a modern retail sanctuary — not a thrift store or warehouse.

WHY WE NEED YOU NOW

To reach our goal of serving 25–50 families monthly in our first year, we are proactively building a team of 20–30 dedicated and passionate Advocates. Whether you have a heart for prayer, a gift for organization, or a talent for retail merchandising, there is a place for you here.
